Ideation [Design Thinking

Ideation

- I have an Idea, how thought I make this? POV u r the reader.
- Would you like to give an impression?
(comment,like,views,reading time more than 1 min)
- Is this FIREEEE, Trending, Actual, relevant, and Eye-catching?
- What's the reader's advantage? What they will get?
- How can you communicate your idea with your language, your feeling from your heart to others?

Creatinovation is the key
